

358

BASIC SPECIFICATION

Length Overall: 35'8"	10,91 m
Beam: 8'6"	2,62 m
Design Draft: 2'3"	0,70 m
Dead Rise: 25°	25°
Displacement: 8,400 lbs	3.810 kg
Fuel: 200 gals.	757 l.
Water: 25 gals.	95 l.

CONSTRUCTION

- Sonic designed
- resin infused
- molded fiberglass hull
- molded fiberglass deck
- composite resin infusion molding
- cored construction
- non-skid on swim platform, cabin sole, cockpit sole and side decks
- rub rails
- plexiglass wind deflector
- hull and deck integrally bonded together
- all hardware through-bolted

RIGGING

- heavy-duty race style motor mounts
- hydraulic steering by Mercury ITS (ITS-BOX)
- external stainless steel tie bar
- heavy-duty throttle's and shift by Livorsi Marine
- electric engine hatch opening system
- Mercury instrumentation and alarms (Smart Craft)
- through transom exhaust
- mufflers Noise compliant in most states
- battery charger w/shore power, 30-amp
- batteries: twin heavy duty w/ parallel switch
- automatic fire extinguisher system
- stainless steel props, to match engine and drive packages
- heavy-duty bilge pumps
- Choice of Level 1 custom Sonic paint
- heavy-duty battery hold-downs
- kill switches

- fuel vapor detector
- trim tabs
- tab indicators
- trim indicators (ITS)
- fuel filters w/water separators

ENGINES AND DRIVES

- **Standard power:** Twin Mercury 496 MAG Bravo One drives
- **Optional power:** Twin Mercury 525 EFI Bravo XR drives; Twin Mercury 600 SCI Bravo One XR drives; other Mercury engine options and configurations are available on request

- running lights
- stainless steel pop-up cleats (6)
- sundeck up-holstered over the engine hatch with Sonic logo
- cockpit cover
- side panel storage

- indirect lighting
- fire extinguishers one manual (1)
- compass racing by Ritchie
- cooler built in dash
- horn: electric
- rear seating custom by Fine Line
- integrated non-skid swim platform
- swim ladder

CABIN AND HEAD

- carpet
- lounge seats (2)
- hanging locker
- indirect lighting
- reading lights
- Marine stereo/CD w/4 speaker and remote
- storage under seating area
- large V berth with storage
- 6' (1,83 m) headroom (approx.)
- electric control panel
- freshwater MSD with holding tank and pumpout
- mirror
- non-skid floor in head
- shower, stand-up
- sink
- storage with drinkholders
- towel rack
- exhaust fan in head
- vanity
- seating: ultra leather
- hatches on deck (2)

GALLEY

- galley unit
- indirect lighting
- sink
- storage / glass rack
- water pressurized
- refridgerator; 4 cubic ft; 12 volt; 120 amp
- fire extinguisher
- custom counter top
- 12 V adapter cabin & cockpit

ON-BOARD SAFETY EQUIPMENT

- gas sniffer system
- hand-held fire extinguisher (1)
- automatic fire extinguisher system for engine room
- kill switches
- horn: electric
- hand rails in the cockpit area

FACTORY INSTALLED OPTIONAL EQUIPMENT

- bow rail
- shipping cover (full)
- air conditionig / heating with shore power
- fresh water shower at swim platform
- entertainment center TV/DVD
- convertible settee
- electric MSD with holding tank and pumpout
- hot water
- microwave
- cockpit- / cabin table
- electric stove
- Garmin GPS chart plotter
- Xantrex inverter, 1800 WAT pure sine wave
- depth sounder
- bezels
- electric helm seats (2)
- cabin fans
- Mercury K-plane

DEALER SUPPLIED OPTIONAL EQUIPMENT

- bimini top
- upgraded audiosystem
- anchor
- coast guard safety package
- flare kit and fog bell
- dock lines
- CO2 horn
- dock lines
- custom paint
- VHF radio
- custom electronics package
